Technical drawing of a 110kV busbar assembly, showing top and side views with dimensions.

Top View Dimensions:

- Left busbar width: 330
- Right busbar width: 530
- Distance between busbar centers: 1117.6
- Busbar thickness: 2.5
- Top flange width: 46.2 ± 0.5
- Top flange height: 55.9 ± 0.5

Side View Dimensions:

- Busbar height: 75.1

The drawing includes a centerline and a break symbol (Z) indicating that the busbar is longer than shown.
